PRESENT FLAG AND BIBLE TO THE NEW CROYDON SCHOOL

Parade Takes Place Previous To Exercises — Many In Line of March

Interesting Program Held In Open Air on Saturday Afternoon

NUMEROUS SPEAKERS

CROYDON, May 31.—Knights of the Ku Klux Klan here Saturday afternoon presented an American flag and a Bible to the Croydon public school. The presentation ceremonies took place at the school building where a large platform had been erected beside the entrance to the building.

Previous to the presentation ceremonies there was a street parade in which numerous local organizations and school children participated. The parade started at Bristol Pike and Newport Road, opposite the P. R. R. passenger station. In the lead were Constables Crawford and Hughes mounted on horses. Members of the Bristol Township School Board followed in automobiles and then came the bugle corps of Bristol Boy Scouts, Members of Croydon Fire Company and members of the Ladies' Auxiliary and representatives of Croydon Lodge, Order of Golden Scepter completed the line.

When the parade reached Cedar avenue and State road the children of the Croydon public school joined the line and then the parade continued to march through the principal streets and were joined by a large delegation of Knights of the Ku Klux Klan, many of whom were hooded. The K. K. had their own band and there was a P. O. S. of A. bugle corps as another musical organization.

Arriving at the school grounds the Klan members sang "Onward Christian Soldiers" and "America." Arthur G. Wilkinson, president of the school board presided and the following program was given:

Earle Criswell, pastor of Tullytown Christian Church. Both gifts were accepted by President Wilkinson. Mr. Ferguson, of the Klan, made an address extolling the public schools. John W. Birkey also made a few remarks.

At the conclusion of the program the flag was raised to the top of the staff and as it unfurled two live pigeons flew from its folds. The salute was given and singing followed.

Refreshments were served to the school children.

Alleged Insane Man Creates Big Disturbance

Charles Austin, Cornwells, who was before the Bucks County court at its last term on a charge of larceny, caused quite a bit of disturbance at his home on Friday evening last at 6:30 o'clock, according to Officer H. Lincoln Hughes.

Austin, at the time of his recent case in the county court, pleaded insanity. The court then instructed that his brother, Chester, who went his bail, make out papers for a lunacy commission to be appointed in the case.

Austin had been living at his home since that time, and Friday evening beat his father, Charles Austin, Sr., his sister, Annie, and brother, Chester.

Officer H. Lincoln Hughes, of Bensalem Township, was summoned, and after a long struggle succeeded in subduing young Austin. The man was given a hearing before Squire Walmesley and was committed to the Bucks County Jail at Doylestown without bail to await the action of the lunacy commission.

After playing a few more games, the children departed for their homes after having a wonderful time. Regina received a number of beautiful gifts. Those present were:

RIEKER NOW BEHIND BARS IN COUNTY JAIL

Slayer of Two Believed Fully Recovered from Effects of Alleged Suicide

WILL FACE TRIAL SOON

Ernest L. Rieker, who shot and killed his wife and Sheriff Abram L. Kulp last February, was taken to the Bucks County Prison Saturday afternoon fully recovered from his so-called attempt at suicide at Ann Memorial Hospital at Spring Lake, ten days ago.

The slayer, who was taken to the prison by Sheriff Horace Gwinmer from the Abington Memorial Hospital, where he has been under observation, appeared to be in excellent health. In contrast to his expressed desire to die made repeatedly since the tragedy last winter, Rieker appeared to be in excellent spirits. He was placed in a cell and orders for strict watch were given.

Officials said that in the future only his two attorneys will be allowed to visit him. Rieker, under treatment for a self-inflicted bullet wound at the Spring Lake institution, claimed to have taken poison tablets the day of his removal to prison. Hospital authorities at Abington, where he was rushed for treatment, now believe his "suicide" attempt was made in order to excite sympathy and to prevent removal to prison.

FITTING TRIBUTES ARE PAID TO THE MEMORY OF THOSE WHO SERVED THEIR COUNTRY WELL

Bracken Post of The American Legion, Sons of Veterans, and Boy Scouts, Hold Exercises Here and At Cornwells And Tullytown on Memorial Day

Memorial Day was fittingly observed here yesterday and on Sunday there were appropriate exercises held in Tullytown and Cornwells with Bracken Post, American Legion, Sons of Veterans and Boy Scouts participating.

Eagle Corps of Bracken Post made their first appearance locally in their new uniforms and created much favorable comment.

Memorial Day morning Sons of Veterans, Legion and Boy Scouts visited the various burying grounds here and decorated the graves of the departed veterans. Pastors of the Bristol churches spoke and in their remarks lauded those who have gone on.

At St. James's churchyard the orator was the Rev. Henry Stuart Prayner, rector of St. James's Church. The Rev. A. G. Solla, pastor of Chapel of Our Saviour spoke in St. Mark's graveyard and the Rev. Paul R. Ronge, pastor of Zion Lutheran Church, delivered the address at the Bristol cemetery. The Rev. Isidore

Jenne, pastor of St. Ann's Italian Catholic Church, spoke at St. Mark's cemetery and at the Methodist burying ground the Memorial Service of the Sons of Veterans was read.

Sunday evening members of the Legion and patriotic organizations attended service in Zion Lutheran Church and a very appropriate sermon was delivered by the Rev. Paul R. Ronge.

Sunday afternoon the Bristol delegation visited both Tullytown and Cornwells.

At Tullytown the school children had assembled at the lower end of the borough and joined the parade to the cemetery. Rev. Francis J. S. Morrow, pastor of the Tullytown M. E. Church, and the Rev. Earle Criswell, pastor of Tullytown Christian Church were the speakers.

At Cornwells Cemetery the address was delivered by the Rev. E. C. Griffiths, pastor of the M. E. Church, there. Sunday school scholars assisted with the program.

TWIN BOROUGHS HOLD JOINT SERVICE

Hulmeville and So. Langhorne Observe Memorial Day in Usual Manner

REV. WILSON SPEAKS

HULMEVILLE, May 31.—The joint Memorial Day exercises held by the boroughs of Hulmeville and South Langhorne, yesterday, at Beechwood Cemetery, were of the usual high character, with several hundred people in attendance.

The numbers were added to by the presence of the Red Hill Band and the fire and drum corps of the local P. O. S. of A.

In the line of march were: Color guard; band; Jesse W. Soby Post No. 148, American Legion; members of Post Auxiliary, Girl Scout Troop, school children of the two boroughs, fire and drum corps; Camp 789, P. O. S. of A. One veteran of the Civil War was escorted to the exercises in an automobile.

Following a prayer by the Rev. W. S. Helst, of South Langhorne, and remarks by the Rev. John R. Crosby, rector of Grace Church, Hulmeville, medals were presented to two pupils of the South Langhorne public school, by the Boy Post of the American Legion. The two scholars who were signally honored for courage, character, patriotism and the like, manifested during the past term, were Elizabeth Barabeta and Warren Bitger. The Hon. Henry W. Watson, Congressman from the Ninth District, presented the medals and pins to the two, highly congratulating them on obtaining such.

In his address the Rev. G. H. Rob Wilson, of Trenton, reviewed the struggle through which this great country has passed, in order that liberty and peace might be achieved.

America's achievements and prosperity, he stated, are due to the Almighty. "Back of the flags which went forth to battle, back of the charges into the strifes, and back of her democratic spirit through all her history, there has been an invisible hand."

Then "Beyond our governmental sagacity there is a Divine Will using America as an instrument for the welfare of mankind throughout the world." The speaker then told of how such gatherings of the kind witnessed on Memorial Day help to perpetuate Liberty in the Land.

Two selections by a male quartette, composed of Rev. Walter H. Canon, H. Douglass Le Compte, Samuel K. Faust, of Hulmeville, and Mr. Toram, of Camden, were much enjoyed.

Lincoln's Gettysburg address was given by Joseph Everitt, previous to Rev. Wilson's talk. The benediction was pronounced by the Rev. Canon. Refreshments of lemonade and cake were served to those participating in the parade on the school house lawn.

WORLD MARK SET IN LANGHORNE RACE

Farmer Batters the Dirt-Track Record for Mile at The Speedway

GLEASON ALSO WINS

Jimmie Gleason, Langhorne speed boy and dirt-track champion race driver, staked his first peg toward this season's crown and pocketed \$1000 when he won the twenty-five-mile championship race at Langhorne yesterday afternoon in the fast time of 20:57.2.

The meet, the first of a series to be held under A. A. direction at the one-mile circle, was witnessed by more than 10,000 spectators.

The track was in fine condition and one world's record was broken when Frank Farmer, driving a Duesenberg Special, circled the mile oval in 41.4, breaking the mark established by Ralph de Palma by one-fifth of a second.

Spectators were thrilled in the three-mile qualifying heat when William H. Kays, Jr.'s Special burst into flames, but he extinguished the fire before serious damage was done.

Farmer did some fast driving yesterday in the three-mile qualifying heat, which he completed in 2:20.1. Ray Keech won the second heat in 2:41.2. Farmer then gained the \$500 award when he won the ten-mile race in a spectacular speed duel with Keech, who was second. Broccoli placed third in this event. The winner's time was 8:09.4.

In the final quarter century grind Farmer was contending for first finish when a flat tire drove him to the pits. While attendants were changing tires, motor trouble developed, and he did not finish.

Al Aspen finished second and Albertson third to Gleason. Gleason had some hard luck at the start of the meet when he had motor trouble and drove to Philadelphia for the needed part. He returned in time to start in the final event, which he won.

TRADE NOTES

The attention of passers-by has been drawn to the window of the L. C. Wetling jewelry store, Mill street. A tiny bride and groom have been given a prominent place in the display, and white ribbons leading from the diminutive couple are attached to many pretty and useful articles, suitable for wedding gifts.

White shoes have made their appearance in the display window of Frank Green's Walk-Over Shop.

Singer Bros., Mill street outfitters, are showing a number of attractively colored Jantzen bathing suits, the make of suit that is purchased according to an individual's weight.

RIVERSIDE THEATRE

Lon Chaney, he of the thousand faces, is showing his thousand-and-first visage at the Riverside Theatre. The sinister cripple of "The Penalty," the tragic clown of "He Who Lets Slipped," the one-eyed monster "The Road to Mandalay," has forsaken his weird trappings—for a disguise even more amazing.

He roars his way through the role of a tough old Marine sergeant; years in the service; veteran of many a battle—battering the new generations of recruits into the traditions of the service that is "first to fight."

A grim old fellow, this sergeant of the new spectacle, "Tell It To The Marines." But, under it all, proud of his boys; as fond of them as a father might be, even while he belabors them like a Simon Legree.

LEGION POSTS OF TWO COUNTIES IN CONVENTION

Bucks and Montgomery Veterans Hold Reunion And Rally at Doylestown

BIG PARADE IS FEATURE

DOYLESTOWN, May 31.—Scenes of World War mobilization days were pictured in a vivid manner here Saturday night when 1,500 veterans participated in a reunion and rally of the American Legion of the ninth district, Bucks and Montgomery Counties. It was the biggest American Legion celebration ever held in the two counties.

Thirty-eight posts, representing 38 towns in Bucks and Montgomery counties participated in the parade that started from the Sixth Regiment Armory.

The parade of a number of drum and bagpipe corps that have been organized by various posts in the district during the past year was one of the features of the march of the veterans.

"On to Paris" was the spirit of the reunion. Many veterans announced that plans had been completed by them for attending the national convention of the American Legion overseas next fall. Details of the trip were outlined by members of the Paris transportation committee.

Following the parade a monster rally meeting was held in the Bucks County Court House. District Commander Benjamin Howarth, of Willow Grove, was master of ceremonies and the A. R. Atkinson Post No. 210, of Doylestown, was host to the assembly of veterans.

Legionnaires were welcomed to Doylestown by Chief Burgess Calvin S. Boyer and by Walter Trainer, commander of the local Legion post. One of the features was the singing of the World War glee club of 200 voices recruited in Doylestown back in 1917, and under the leadership of Frank J. Gerltzki, known through the State in World War days as "Pep" Gerltzki. This glee club staged community sings in war days that resulted in the sale of thousands of dollars' worth of Liberty Loan bonds.

Short addresses were given by Dan Strickler, of Lancaster, vice-commander of the Department of the East; James Dieghan, of Philadelphia, national adjutant of the American Legion; Father Wolfe, of Philadelphia, national chaplain of the Legion; Admiral Magruder, commandant of the Philadelphia Navy Yard, and Col. Edward Hollenback, grand chief de gare of the "Forty and Eight."

Members of Borough Council and other civic organizations were the guests of the Legion.

Brief reports were made at the rally meeting showing the ninth district, Bucks and Montgomery counties, to be leading the entire State in membership and as one of the best districts in the United States in the activity program.

Following the Court House meeting there was a real army "chow banquet" held in the Sixth Regiment Armory and prepared by the members of the Ladies' Auxiliary of the Atkinson Post, of Doylestown.

The parade was led by William K. Fryling, of Doylestown, and a detail of Atkinson Post members. There were six sections to the long march of veterans, as follows:

Section 1—District Deputy Commander Lair, Bristol Bugle and Drum Corps and American Legion posts from Bristol, New Hope, Langhorne, Yardley, Souderton; and a "Forty and Eight" box car.

Section 2—District Deputy Commander Patterson, Doylestown Post Drum and Bugle Corps and Legion posts from Doylestown, Quakertown, Sellersville, Perkasie, Newtown, Lansdale and Souderton.

Section 3—District Deputy Commander Talone, Norristown Post Drum and Bugle Corps of over 100 pieces, and Legion posts from Norristown, Bryn Mawr, Conshohocken, Ardmore, Bala, Cynwyd, Narberth and Merion.

MAN'S BACK BROKEN IN AUTO ACCIDENT IN BENSALEM TWP

Five Injured in Crash of Autos Last Sunday Morning

2 HURT AT FALLSINGTON

Brother and Sister Both Sustain Injuries on Lincoln Highway

Five men were injured in an accident which occurred in Bensalem Township, Sunday morning, at 10:30 o'clock, one being seriously hurt.

The injured are: Anthony Barubla, 3345 Almond street, Philadelphia, lacerations of one hand.

Frank Baj, 3417 Richmond street, Philadelphia, broken back.

Walter Radomicki, 3196 Mercer street, Philadelphia, internal injuries.

John Kuzorski, 2623 Edgemont street, Philadelphia, lacerations of face, broken nose, lacerations of arms and hands.

Walter Galletki, 2646 E. Mayfield street, Philadelphia, lacerations of head and face.

The five named above were seated in a one-ton truck, of which Barubla, manufacturer of soda water, was the owner and driver. As the truck was passing over Hulmeville Road, near Simons Lane, enroute to deliver ice cream and soda water to a group holding a picnic in the township, a sedan, owned and driven by Charles Barchy, 1312 S. Second street, Philadelphia, passed the truck.

In endeavoring to get to the right-hand side of the road again, Barchy's machine cut in ahead of the truck, striking the left front wheel. This impact caused the truck to fall into a 2½ foot ditch and turn over.

None of the occupants of the sedan were hurt by the crash, but the truck was considerably damaged. The five men were rushed to the Harriman Hospital for treatment, and Baj is still confined to that institution.

Officer H. Lincoln Hughes, of Bensalem Township, was called to the scene, and placed the drivers of the two machines and the occupants of both cars under arrest. Barchy was fined \$10 and costs for reckless driving, and was placed under \$1000 bail to await the outcome of the injuries of the men. A hearing was held before Squire John W. Walmesley, of Croydon.

Sadie Samuelson, 20 years old, of 2529 North Thirty-first street, Philadelphia, and her fourteen-year-old brother, Harry Samuelson, of the same address, were injured when the automobile in which they were riding figured in a collision on the Lincoln Highway outside of Fallsington at 2 o'clock yesterday morning. The girl suffered concussion and injuries to the back while her brother was treated for a fracture of two fingers. Several others in the car, whose names police have been unable to learn, escaped injuries.

THE CHANCE GOES BY
A man does not always know his chance when it comes to him, but if he lets it pass, he will learn in time that it went by. Then, too late, he will overwhelm himself with reproaches for not seizing the golden opportunity.

Business men decry tardiness in those whom they employ, for that means not simply the waste of time that should be spent in work, but the failure to be present when Opportunity, coming without warning, knocks peremptorily and, being unanswered, summarily departs. Returning belated, one may listen eagerly for a repetition of that summons to rise and confront Destiny face to face, but it does not come. The great chance appeared unheralded and found us wanting and went away, leaving no address with which we may communicate.

For our chances do not come with brass-band music and pennons waving. They stealthily approach; they seldom advertise. They come, like successful burglars, when we expect them least. "If only we had known!" we cry with vain regret. But they promptly went where there were others waiting for them, with trimmed lamps. These others seized what might have been our own, and all our boast of what we might have done had our "luck" been different is unavailing.

What is luck? Most of the time it means to be in the right place at the right moment. The one who is there is the winner over one who is elsewhere. And he who is there must be present not simply in the physical sense; he must attend with all his faculties. As Shakespeare reminds us, it is of no use to have our eyes open if "their sense is shut." A sentinel may be at his post, but he is futile if he sleeps.

Thus to recognize and to improve the opportunity one must be broad awake to it with the keen edge of the senses whetted. The worker who brings only part of his mind to his task is not worth the whole of the pay he draws. He will miss chances not merely for himself—those that quickly seized may promote his own fortunes—but for the concern that when it secured his services supposed that it was getting every bit of the man he is. He must not expect a worker's pay unless he serves with all his senses aware.

One thing about bathing suits is you no longer have to take a girl at face value.

Sympathy's greatest problem is to maintain a neutral attitude.

About the only time all Americans agree is when they talk about the portions served in the dining car.

Who can remember when the peroxide blonde was about the most dangerous menace to husbands?

It is easy to acquire a reputation, but it takes a lot of hard work to make a good one.

A paragrapher wants to know what one can do with used safety razor blades. Well, he can cut jokes out of a newspaper if he's that kind of a paragrapher.

Just to demonstrate how busy we have been with stern reality, it can be cited that a year has passed and failed to bring out a single new breakfast food.

A popular person is one who enjoys being bored.

Instrumental music and drills will also be enjoyed.
Miss Velma Curtis accompanied some friends to Atlantic City on Sunday, where she spent the day.

There were 18 members of the Epworth League who participated in a "doggie" roast and marshmallow toast on Saturday evening. The group walked to Flushing, and following the roast, games and songs were indulged in.

HEALTHY OLD MEN AND WOMEN NEED NEVER HAVE GRAY HAIR

As Long As Color Glands Remain Normal and Active Plenty Of Pigment Will Keep Hair Its Natural Shade

IF HAIR IS FADED AND STREAKED WITH GRAY BEGIN REVIVING COLOR GLANDS

Simple Tonic Starts Youthful Color Returning Again

Everybody knows if their color glands and hair roots are active and normal they will continue indefinitely to have rich, natural colored hair entirely free of gray and off-colored locks.

A doctor several years ago asked himself this question: "Why not rub a stimulating tonic into the scalp that will revive, strengthen and tone up those inactive glands so that nature in her own inimitable way will resume putting plenty of pigment into the hair tubes—surely the hair will then again resume its original, natural, beautiful shades of youth regardless of the user's age or the condition of their hair."

REMARKABLE DISCOVERY

The doctor's search for a tonic that would accomplish this purpose led him into endless experiments, but the final result was worth it. He didn't want a dye or tint and it of course must be harmless and something that could

be used for years and years without the slightest injury to hair or scalp.

Under the name of Lea's Hair Tonic anyone may now purchase the tonic he finally perfected. For several years now hairdressers and people scattered all over the country have been using it. Results are so natural, gradual and nice that men as well as women use it.

It doesn't stain the scalp. One's friends seldom notice the gradual change and to test what it will do one needs only to apply it a week or so to some small spot and watch results.

Users have been amazed at the younger appearance that comes with the disappearance of gray hairs from their head. If any reader desires to try a bottle of Lea's Hair Tonic on the complete satisfaction they should pin a dollar bill to this advertisement and send it to the Lea's Tonic Company, Brentwood, Md., with their name and address plainly written. A generous sized bottle will be sent prepaid anywhere. Leading druggists have Lea's Hair Tonic, \$1.00 per bottle.—(Adv.)

WONDERFUL NEW REMEDY FOR RHEUMATIC ACES AND PAINS

Liniment They Use on Big League Ball Players Like Coveleski

STOPS ACES, PAINS AND STIFFNESS QUICKLY

Big league baseball stars like Walter Johnson, Herb Pennock, Bucky Harris, Ty Cobb, George Sisler, Coveleski and others cannot afford to be laid up with aches, pains, swollen joints or stiffness a single day, so they must use the best remedy money can buy.

The Liniment they use out at the ball park works like lightning and in a jiffy relieves aches, pains, stiffness or swollen joints due to sprains, rheumatic troubles, neuritis, neuralgia, etc. A thousand times each baseball season this wonderful liniment does its work in big leagues, professional and amateur baseball circles, and yet this liniment they use is so mild it would not harm a baby's skin and never blisters no matter how much you rub it in or bandage it up.

The Liniment is named after the famous trainer, Mike Martin, the man who for years was trainer of the New York "Yankees," Cincinnati "Reds," Columbia University, etc., and who now is trainer of Washington's 1924-25 American League champion baseball club.

It is called Mike Martin's Liniment. Local druggists are featuring it. Any person suffering with aches, pains, lame back, rheumatism, swollen joints, stiffness, neuralgia or neuritis, should get a bottle. It is pleasant to use,

MIKE MARTIN, Trainer Washington Base Ball Club

never stains, and by rubbing a little into the sore, stiff, achy parts you get almost magic relief.

Ball players often catch cold, get sore or bungled up and come to the ball park hardly able to walk, yet out they come from a good rub with Mike Martin's Liniment, as lively, full of pep and ginger, as anybody could wish. Watch them scamper and prance in rain or shine. You'd never dream they ever had an ache or pain in their lives. Mike Martin, by making this liniment available to the general public in drug stores, is doing a great thing for those who suffer. If reader lives out of town and druggist hasn't it, write Mike Martin, Ball Park, Washington, D. C., and he will send a large size bottle with full directions, parcel post, for \$1.00. All good druggists sell smaller trial size bottles for a few cents.—(Adv.23.)

They don't come any better

I DIDN'T know it, but Prince Albert was just the tobacco I had been looking for all the time. I hate to think of the time we lost getting together. But let that go. We're all set now—me and the pipe and P.A. We've been pals from the very first puff.

I had a hunch I was going to like P.A. the minute I got that breath of Nature's noblest gift to pipe-smokers. What a treat! It made me think of a hike through the woods, when the trees and the vines are in full leaf. I found the taste "as advertised" by the aroma.

Cool as a customs-inspector. Sweet as the thought you have nothing to hide. Mild as a milk-shake, yet with that full-bodied flavor that satisfies your smoke-taste right down to the ground. That's Prince Albert, Fellows. They don't come any better.

No matter how set you appear to be on a smoke-program, try P.A. I give you my word, no other tobacco that ever came down the pike ever brought so much downright satisfaction out of a pipe. "That fellow knew his groceries," you'll say, or words to that effect.

PRINCE ALBERT

—no other tobacco is like it!

P. A. is sold everywhere in tins, red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and punch removed by the Prince Albert process.
